

Cookies Policy

Oliver's Oasis uses cookies via Wix to provide a smooth user experience.

1. What Are Cookies: Cookies are small text files stored on your device when you visit a website.
2. Why We Use Them: To ensure proper functioning of the site, enhance performance, remember login details, and collect basic analytics.
3. Types Used: Wix sets essential cookies for site operation and optional cookies for user experience improvements.
4. Managing Cookies: You can change your browser settings to decline or delete cookies. Some features may not work properly without cookies.
5. Consent: By using our website, you agree to our use of cookies as described above.
6. Website: You have the right to accept or reject non-essential cookies. Our cookie banner allows you to make this choice at any time. Essential cookies required for site operation cannot be turned off, but all other cookies will only be set with your consent.
7. App cookies and similar technologies: When you download and use our mobile app, certain essential cookies and technologies are required to make the app work (for example, to keep you logged in securely and remember your preferences). By downloading and using the app, you agree that these essential cookies are necessary for the app to function. We may also use optional analytics or performance cookies in the app to help us understand how the app is used and to improve our services. You can choose not to allow these by adjusting your device or app settings.
